The BRC families' winter bazaar welcomes all Queen's University students with children (from infancy to adulthood). Children can pick up holiday gifts for their family members for \$0.25 per gift. Pizza and juice will be provided for dinner. It's a great way for families to get to know each other and to get connected in the BRC community. We are **asking everyone to RSVP**. Please register with us, then feel free to drop in at any time during the event. Have fun!
